"THE BUSY CORNER."

Always the best of everything for the least money.

Tomorrow, Thursday, Nov. 1,

LAUNCHES US INTO THE

Eighth Year of Our Business Career in Washington.

During the past seven years we have grown from a wee mite to a mighty power. In fact, we feel our importance of being with you and for you. No concern ever dared to defend your dollars against high prices as we have done, and for that reason we have been so successful. This house, which is so well known in every home as "The Busy Corner," will make renewed efforts this coming year to uphold this trophy which you, through your liberality and confidence, have made for us. IN AND ABOUT THE CITY.

Sixty-five on One Limb. Sixty-five years on one limb is the remarkable record of a tree on the farm of E. R. Swartwood, near Fairfax Station, Va. The limb was cut from the tree and sent to the Washington branch of the Fruit Dispatch Company, in the Washington Loan and Trust Company Building. The limb is five feet long and the pears average over two inches in diameter and weigh about six ounces each.

Ladies Give an Oyster Supper. Friends of the Casualty Hospital gathered in groody number last night at that institution for a banquet of lady managers. The reception of guests began at 8 o'clock, and it was after 10 before the gathering adjourned. Many of the attending physicians of the Casualty and other hospitals were present.

John J. Maier Improving. Some little improvement was noted last night in the condition of John J. Maier, aged sixty-eight years, who is at the Emergency Hospital suffering from injuries the result of a collision with a car of the City and Suburban Railway near College Park station, Md., Monday night. Mr. Maier sustained a triple fracture of the left leg and severe cuts and bruises of the head and body. He was struck and knocked down by the car shortly after he had alighted and started to walk toward home. Mr. Maier was picked up and brought to this city on a car and placed at the hospital for treatment. He is thought to have a fair chance for recovery.

ROBBED THE GRAVE. A startling incident is narrated by John Oliver, of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunk, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had been used up. Then I was advised to use Electric Bitters. To my great joy, the first bottle made a decided improvement. I continued their use for three weeks and am now a well man. I know they robbed the grave of another victim. No one should fail to try them. Only 50 cents, guaranteed, at Henry Evans' drug store, 922 F Street.
